

Lifestyle & Workload Assessment

Are you looking for a lifestyle business, an investment, or something in between? You are buying a business and a life — answer honestly before you fall for a listing.

Picture your ordinary Tuesday as the owner. What are you actually doing all day — and do you want to?

How involved will your family be? Who does what?

Do you want a job you run, or a business that runs with your oversight?

Year-round income, or are you comfortable with a seasonal rhythm?

How hands-on do you want to be — wrench in hand, or managing people who turn the wrench?

What does a good week look like a year from now?

Lifestyle Match, at a Glance

Want quiet and simple? Lean rustic or small seasonal. Love people and energy? Overnight or resort. Want predictability? Seasonal. Want to build something bigger? Mixed-use — but only if your capital and stage of life support it.
