

RV Site Rate Comparison Tool

Compare your four RV site types to find the best mix.

Compare the Types

Daily / overnight — rate: _____ target occupancy: _____ est. annual revenue
per site: _____

Weekly — rate: _____ weeks booked: _____ est. annual revenue per site:

Monthly — rate: _____ months booked: _____ est. annual revenue per site:

Seasonal — rate: _____ season length: _____ est. annual revenue per site:

Find Your Best Mix

Daily earns the most per night but costs the most to run. Seasonal is stable and low-effort. The strongest parks blend both.
